

# YT Video Looper Privacy Policy

Last Updated: 19th Dec 2023

## 1. Introduction

YT Video Looper is a Chrome extension designed to enhance the YouTube viewing experience by enabling users to loop specific parts of videos. This privacy policy outlines our handling of any personal data we might have access to.

## 2. Data Collection

YT Video Looper does not collect, store, or transmit any personal data of its users. The extension operates entirely within the user's browser and does not interact with any external databases or services for data collection.

## 3. User Data

No user data is collected, so none is used, shared, or sold. All functionalities are confined to the scope of the user's interaction with YouTube videos within their browser.

## 4. Changes to This Policy

We may update this privacy policy from time to time. Any changes will be posted on this page with an updated revision date.
